WEIGHT

United Couriers rates are based on the total weight of all packages in one shipment using one air waybill. Any fraction of a kilogram takes the next higher weight. When dimensional weight exceeds actual weight, shipments will be charged according to the IATA volumetric standard.

$$\text{Dimensional weight in kg per package} = \frac{\text{length} \times \text{height} \times \text{width}}{6,000}$$

DUTIES AND TAXES

Duties and Taxes are not included in the rates and are payable in accordance with the United Couriers Conditions of Carriage.

DIMENSIONS

- Maximum 274cm in length (always longest side).

- Maximum 330cm in length and girth combined. Length and girth = length + 2 x height + 2 x width.

Any package exceeding these standard measures is automatically considered as United Couriers Priority Freight and billed accordingly.

MAXIMUM DECLARED VALUE

United Couriers Envelope / Pak £100

United Couriers Box / Tube / other packaging £50,000

Declared value for carriage must not exceed declared value for customs.

CARRIER LIABILITY

Unless the sender enters a higher Declared Value for Carriage on the air waybill, the liability of United Couriers is limited to the higher of a) the amount provided by the applicable international treaty (including Warsaw and CMR Convention) or b) \$14.30/kg. United Couriers does not provide cargo liability or all-risk insurance but the Sender may pay an additional charge for Declared Value for Carriage above these limits, subject to an incremental charge of £1.00 per £63.00 declared value with a minimum of £4.25.

Specific items such as artwork, film, antiques, glassware, jewelry, furs, watches, etc. Are limited to a maximum declared value for carriage of £500 per shipment or £9.07 per KG, whichever is greater. Liability of claims requires notice of claims within strict time limits. United Couriers liability is subject to strict and detailed terms and conditions. For further information regarding carrier liability please refer to the United Couriers Conditions of Carriage or your Customer Service representative.
